PETITION UNDER 37 C.F.R. § 1.48(b)

Honorable Commissioner of
Patents and Trademarks
Washington, DC 20231

Sir:

Applicants respectfully petition the Commissioner pursuant to 37 C.F.R. § 1.48(b) to change the inventive entity of the above-identified application by deleting Gerald A. Beltz and Chung-Ho Hung as inventors on this application. Gerald A. Beltz and Chung-Ho Hung contributed to the conception of originally filed claim 21, which involved the use of the claimed saponin adjuvant with a recombinant antigen, gp70. This invention is no longer being claimed in this application. The inventive entity of the claims that are currently pending for this application is therefore Charlotte A. Kensil and Dante J. Marciani.

Filed concurrently herewith is (1) an amendment deleting the names of Gerald A. Beltz and Chung-Ho Hung, who are not the inventors of the invention being claimed, and (2) the fee set forth in 37 C.F.R. § 1.17(h).

As the originally filed claims are being deleted in the response filed on this same date, this petition and amendment are diligently made.

Respectfully submitted,
SAIDMAN, STERNE, KESSLER & GOLDSTEIN
